Surry Telephone Membership Corp. would like to thank everyone for their support during the recent fund raisers for the Travis Quesinberry family. Travis is an employee of Surry Telephone. The thirty-four year old father of two was recently diagnosed with cancer.

Family, friends and community members participated in several events; the most recent being a golf tournament held Saturday, October 11 to benefit the Quesinberry Family. Over 100 individuals and area businesses donated door prizes, money and time to make the event successful.

To donate to the Travis Quesinberry fund or for more information, please contact Melanie Senter at 336-374-5021.
